

# Santa Ana River Mitigation Bank

Do you have a project or development that is within the Santa Ana River Watershed and near a waterway? **This may be a perfect mitigation credit source for you.**

These mitigation bank credits are for parties with Clean Water Act Section 404 impacts and are available through the Riverside County Regional Park & Open-Space District. Interested parties' projects needing mitigation must be within the service area. The minimum credit purchase required is 0.25 acres.

Acreage credit is available on a first-come-first-served basis.

To initiate a credit purchase, email: [Parks-Finance@rivcoparks.org](mailto:Parks-Finance@rivcoparks.org). You will receive a response with instructions.

Proceeds from the bank provide funding to the Santa Ana Watershed Project Authority to remove and stop regrowth of the *Arundo Donax* invasive plant in the watershed.
