

SANTA ANA WATERSHED PROJECT AUTHORITY LIQUID WASTE HAULER PERMIT APPLICATION INSTRUCTIONS

GENERAL

Thank you for your interest in the Santa Ana Watershed Project Authority (SAWPA) Brine Line. Instructions to assist in the completion of the Liquid Waste Hauler Permit Application are listed below. If you have any questions, please feel free to contact Alfredo Vasquez at avasquez@sawpa.org or (951) 354-4232.

As a SAWPA permitted liquid waste hauler, your company will be allowed to operate within the entire SAWPA service territory. This includes four (4) Brine Line Collection Stations at the following locations:

Inland Empire Utilities Agency (IEUA)

16400 El Prado Road
Chino, CA 91708

Western Municipal Water District (WMWD)

2205 Railroad Street
Corona, CA 92880

Eastern Municipal Water District (EMWD)

29541 Murrieta Road
Sun City, CA 92586

San Bernardino Valley Municipal Water District (SBVMWD)

399 Chandler Place
San Bernardino, CA 92408

Upon issuance of your permit, each of your drivers will be required to attend an orientation session at the individual Collection Stations. This orientation can be coordinated with the individual collection stations.

In addition to a completed signed permit application, please submit **a signed letter to SAWPA, on your company letterhead, which identifies each driver and the respective driver's license number.**

INSURANCE REQUIREMENTS

Your company **must** carry the following insurance to be permitted by SAWPA:

Consolidated Insurance Requirements for Waste Haulers

TYPE	AMOUNT	COMMENTS
General Liability	\$1,000,000 Per Each Occurrence	
	\$2,000,000 General Aggregate	IEUA, WMWD, EMWD, SBVMWD and SAWPA must be named as additional insured by way of physical endorsement form, not just language on the certificate.
Commercial Auto Insurance	\$1,000,000 Combined Single Limit	
Workers' Compensation	\$1,000,000 Per Each Accident	A "Waiver of Subrogation" by way of physical endorsement form, not just language on the certificate, must be provided.
Pollution Liability	\$1,000,000	

WASTEWATER GENERATORS

You must include with your application, a list of those wastewater generators that intend to use your services to dispose of their wastewater. You will need to coordinate with the wastewater generators to obtain the indicated information. Please note that you will only be permitted to dispose of the generator's waste at the Brine Line Collection Station(s) designated on their permit and subsequently reflected on your permit.

FEES

The fee for a SAWPA Liquid Waste Hauler Discharge Permit is **\$250.00**. **Please submit payment, remitted to SAWPA with your completed application.** Processing will not begin unless payment is included. There is no fee for 1) adding additional generators to your permit; 2) updating vehicle information; or 3) updating driver's names and driver's license numbers.
