**A. Request for Proposal, Forms, and Certificates.** All forms and certificates shall be completed in full with all blank spaces properly filled in using ink or typewriter. The Cost Proposal Form shall be properly executed by a duly authorized agent of the firm or company. All .pdf proposals must be well organized, and each file submitted must reference the section below, as well as the Service Provider's name. The following items 1-6 listed below shall be included within the submitted package:

1. Letter of Offer (Section IV)
2. Technical Proposal (Section IV)
3. Non-Collusion Affidavit (Attachment B)
4. Acknowledgement of Insurance Requirements (Attachment C)
5. Acknowledgement of all Addendum Confirmation Forms, if applicable
6. Cost Proposal Form (Attachment A)

**B. Proposal Validity.** Proposals submitted hereunder shall be valid for a period of not less than 90 calendar days from the date of submittal.

**C. Disqualification of Proposals.** More than one proposal from any person, firm, partnership, corporation or association under the same or different names will not be accepted, and reasonable grounds for believing that any Offeror is interested in more than one proposal will be cause for rejecting all proposals by that Offeror in which such Offeror is interested. Apparent collusion among the Offerors will likewise be sufficient cause for rejecting any or all proposals, and the participants in such collusion may be eliminated from future proposing. The enclosed Non-Collusion Affidavit must be executed and submitted with the proposal (Attachment B).

Proposals in which the prices obviously are unbalanced may be rejected. The wording of the proposals shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Offeror will render the proposal irregular and may cause its rejection. Erasures or interlineations in the proposal must be explained and initialed by the Offeror. SAWPA reserves the right to reject any and all proposals, extend deadlines, and enter into negotiations with any Offeror.

**D. Receipt of Proposals.** SAWPA will not accept hand-delivered proposals. Proposals must be submitted and uploaded onto PlanetBids <https://pbsystem.planetbids.com/portal/52676/portal-homeas> a complete electronic PDF version by the date and time herein above set forth.

**E. Addenda.** Any SAWPA change to the requirements will be made by written addendum to this RFP. Any written addenda issued pertaining to this RFP shall be incorporated into the terms and conditions of any resulting Contract. SAWPA will not be bound to any modifications to or deviations from the requirements set forth in this RFP as the result of oral instructions. Offerors are not entitled to rely on any oral representations made by SAWPA or its employees and agents.

**F. Clarifications.** Should an Offeror require clarification of this RFP, the Offeror shall notify SAWPA in writing in accordance with Section G below. Should it be found that the point in question is not clearly and fully set forth, SAWPA will issue a written addendum clarifying the matter which will be sent to all persons who have requested the RFP.

**G. Inquiries.** Prospective Offerors are required to put all RFP questions, clarifications or comments through PlanetBids <https://pbsystem.planetbids.com/portal/52676/portal-homeas> and/or in writing Daniel Vasquez via e-mail [dvasquez@sawpa.org](mailto:dvasquez@sawpa.org). Questions, clarifications or comments must be received no later than **12:00 p.m. on May 8, 2023**. The Offerors must verify that SAWPA received the e-mail transmission.

### **SECTION III. CONTRACT PROVISIONS**

**A. Contract.** SAWPA will require the Offeror to whom the contract is awarded (“Awarded Service Provider”) to enter into a General Services Agreement and a Task Order binding all the terms, conditions and provisions of the specifications defined in the Proposals and associated documents. **The General Services Agreement (Contract) will be valid from July 1, 2023 through June 30, 2025, and will include an option for a one-year extension (through June 30, 2026).**

**B. Assignment of Contract.** This contract shall not be assigned by Service Provider without prior written authorization from SAWPA.

**C. Award.** SAWPA may negotiate contract terms with the tentatively selected Offeror prior to award, and expressly reserves the right to negotiate with several Offerors simultaneously and, thereafter, to award a contract to the Offeror offering the most favorable terms to SAWPA.

SAWPA reserves the right to award its total requirements to one (1) Offeror or to apportion those requirements among several Offerors as SAWPA may deem to be in its best interest. In addition, negotiations may or may not be conducted with Offerors; therefore, the proposal submitted should contain Offeror’s most favorable terms and conditions, since the selection and award may be made without discussion with any Offeror. SAWPA reserves the right to award the contract to the Offeror it believes, in its sole discretion, is the most qualified, and may not award the contract to the apparent lowest Offeror.

**D. No Commitment to Award.** This RFP is not an offer. Issuance of this RFP and receipt of proposals does not commit SAWPA to award a contract. SAWPA expressly reserves the right to postpone the proposal opening, to accept or reject any or all proposals received in response to this RFP, to negotiate with more than one Offeror concurrently, or to cancel all or part of this RFP.

**E. Contract Term.** The services provided under this Contract shall be completed as outlined in the Scope of Work.

**F. Contract Duration.** Contract duration should be 2 years (July 2023 through June 2025) with an option for an additional year (through June 2026).

**G. Governing Law.** The Contract with the Awarded Service Provider shall be governed by the laws of the State of California.

**H. Termination.** SAWPA reserves the right to terminate the Contract, in whole or in part, without cause, at any time, by written notice to Awarded Service Provider. Such notice of termination shall release SAWPA from any further liability, fee, cost or claim by the Awarded Service Provider other than for work performed to the date of termination. Upon receipt of a termination notice, the Awarded Service Provider shall immediately discontinue all work under the Contract (unless the notice directs otherwise). SAWPA shall thereafter, within thirty (30) days of receipt of a valid invoice, pay the Awarded Service Provider for unpaid work performed to the date of termination.

**I. Payment and Invoicing.** Upon approval by an authorized SAWPA employee, SAWPA will pay, within 30 days after receipt of valid, itemized invoices, submitted in duplicate, in a form acceptable to SAWPA to enable audit of the charges thereon. All such invoices shall be mailed to SAWPA, 11615 Sterling Avenue, Riverside, California 92503, attention Accounts Payable.

**J. Pre-contractual Expenses.** Pre-contractual expenses are defined as any expenses incurred by the Offeror including, without limitation, the following: 1) preparing its proposal in response to this RFP; 2) submitting that proposal to SAWPA; 3) negotiating with SAWPA any related matter related to this RFP, including a possible contract; 4) engaging in any other activity prior to the effective date of award, if any, of a contract resulting from this RFP. SAWPA will not, under any circumstance, be liable for any pre-contractual expenses incurred by Offerors, and Offerors shall not include any such expenses as part of their proposals. The subsequent discovery by SAWPA of evidence such that expenses have been included in the Offer of the Awarded Service Provider will be considered a material breach of the Contract by that Provider resulting in a deductive Change Order in favor of SAWPA and termination of the Contract.

**K. Work Hours.** The work required by this proposal package may include normal business hours, evenings, nights and weekends. **The Awarded Service Provider shall provide SAWPA with all required premiums and/or overtime work at no charge beyond the price provided in the Awarded Service Provider's proposal. SAWPA WILL NOT PAY FOR TRAVEL AND/OR STAND-BY TIME.**

**L. Damage to SAWPA or Third Party Property.** Any SAWPA property damaged by the Awarded Service Provider, or its employees, agents or subcontractor, shall be repaired or replaced by the Awarded Service Provider at no cost to SAWPA.

Immediate notification to OWNER is required after any damage to SAWPA or a third party property during line cleaning operations. Contractor shall be responsible for any damage to SAWPA property.

Immediate notification to OWNER is required after any line cleaning equipment becomes stuck inside the pipeline.

**M. Prevailing Wage Law.** SAWPA is subject to the provisions listed in the prevailing wage determination made by the Director of Industrial Relations pursuant to California Labor Code, Sections 1770, 1773, and 1773.1. It is agreed that all provisions of law applicable to public

contracts may be applicable to this contract. If required by law, Awarded Service Provider shall not pay less than the prevailing wage and shall provide proof to OWNER upon request.

**N. South Coast Air Quality Management District's (SCAQMD) Requirements.** It is the Awarded Service Provider's responsibility that all equipment furnished and installed be in accordance with the latest rules and regulations of the South Coast Air Quality Management District (SCAQMD). All contract work practices, which may have associated emissions such as sandblasting, open field spray painting or demolition of asbestos containing components or structures, shall comply with the appropriate rules and regulations of the SCAQMD.

**O. Insurance.** Offerors must meet all insurance requirements as outlined in Attachment C, the "Acknowledgement of Insurance Requirements and Certification of Ability to Provide Coverages Specified" affidavit, which must be executed and submitted with the proposal. Certificate of Insurance shall only be completed by the Awarded Service Provider, and SAWPA shall be an additional insured on Awarded Service Provider's comprehensive liability insurance coverages, with the right of subrogation waived as to SAWPA.

**P. Drug Free Workplace.** Awarded Service Provider's employees, agents and subcontractors shall adhere to, and comply with, the California Drug Free Workplace Act at Government Code, Sections 8350 through 8357.

**Q. Safety.** Awarded Service Provider agrees to conform to, and comply with all applicable Federal and State Occupational Safety and Health Act (OSHA) regulations. Awarded Service Provider assumes complete responsibility for the safety of its employees, agents and subcontractors, and shall indemnify and hold harmless SAWPA from any claims, damages, fines, penalties or attorney's fees and costs arising from any injuries or damages or claims relating to the Contract or services provided thereunder or related thereto.

The Service Provider shall provide SAWPA with Material Safety Data Sheets (MSDS) for all applicable materials before the material is brought to the project site.

**R. Right to Review Services, Facilities, and Records.** SAWPA reserves the right to review any portion of the services performed by the Awarded Service Provider relating to the Contract, and the Awarded Service Provider agrees to cooperate to the fullest extent possible. The Awarded Service Provider shall furnish to SAWPA such reports, statistical data, and other information pertaining to the Awarded Service Provider's services as may be reasonably required by SAWPA. The right of SAWPA to review or approve drawings, specifications, procedures, instructions, reports, test results, calculations, schedules, or other data that are developed by the Awarded Service Provider shall not relieve the Awarded Service Provider of any obligation set forth in the Contract.

**S. Permits, Ordinances and Regulations.** Any and all fees required by State, County, local laws, regulations and/or tariffs that pertain to work performed under the terms of this Contract shall be paid by the Awarded Service Provider.

**T. Independent Contractor.** The Awarded Service Provider, and its employees, agents and subcontractors, in performing the related Contract operate as **independent contractors** and not as employees or agents of SAWPA.

## SECTION IV. PROPOSAL FORMAT AND CONTENT

**A. Presentation.** Proposals shall be typed, double spaced, and submitted on 8 ½” x 11” size paper, using a single method of fastening. Please do not include any unnecessarily elaborate or promotional material.

For ease of review, the data submitted shall be organized in a logical manner consistent with the Scope of Services described in Attachment E. Non-compliance with this format may be deemed as non-responsive and cause for proposal rejection.

**B. Letter of offer.** A Letter of Offer shall be addressed to SAWPA and shall, at a minimum contain the following:

1. Identification of Offeror, including name, qualifying licenses or certifications or registrations, address and telephone number.
2. Proposed working relationship between Offeror and subcontractors, if applicable.

Exceptions/deviations are strongly discouraged. If the Offeror feels an exception/deviation is required, then Offerors shall state any exceptions to or deviations from the requirements of this RFP, segregating “technical” exceptions from “contractual” exceptions. Where Offerors wish to propose alternative approaches to meeting SAWPA’s technical or contractual requirements, these should be thoroughly explained.

**D. Appendices.** Information considered by Offerors to be pertinent to this project and which has not been specifically solicited in any of the aforementioned sections may be placed in a separate appendix section. ### SECTION V. EVALUATION PROCEDURES

An Evaluation Committee comprised of SAWPA staff and/or member agency staff, in accordance with the criteria listed below, will evaluate all proposals received as specified. The evaluators in applying the major criteria to the proposals may consider additional sub-criteria beyond those listed.

The final selection of an Awarded Service Provider to perform this service will be the Offeror, which in SAWPA’s opinion, is the most qualified, responsive and responsible, and meets SAWPA’s requirements in providing this service and is in SAWPA’s best interest. SAWPA maintains the sole and exclusive right to evaluate the merits of the proposals received. SAWPA reserves the right to award the Contract to an Offeror that meets the above criteria even if such Offeror is not the apparent lowest bidder.

In such event, the coverage limits therein shall prevail, otherwise, the SERVICE PROVIDER shall meet the following requirements:

Contractor agrees to conform to, and comply with all applicable health and safety laws and regulations, including the Federal and State Occupational Safety and Health Act (OSHA) regulations. Contractor shall procure and maintain for the duration of this Task Order insurance against claims for personal injuries or property damages which may arise from or relate to the performance of the work hereunder by the Contractor, its employees, agents, subcontractors or representatives, as follows:

Contractor shall procure and maintain for the duration of this Agreement and all Task Orders issued hereunder insurance against claims for injuries or death to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, his agents, representatives, employees or subcontractors.

If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (coverage as broad as the ISO CG 25 03, or ISO CG 25 04 endorsement provided to SAWPA) or the general aggregate limit shall be twice the required occurrence limit.

**Automobile Liability** - Insurance Services Office (ISO) Business Auto Coverage (Form CA 00 01), covering Symbol 1 (any auto) or if Contractor has no owned autos, Symbol 8 (hired) and 9

**Contractor's Pollution Liability Insurance** to provide coverage for bodily injury, property damage, defense, cleanup, and related defense costs as a result of pollution conditions (sudden/accidental or gradual) arising from operations performed by or on behalf of the Contractor. Such insurance shall have limits of no less than \$2,000,000 per occurrence and \$5,000,000 aggregate.

**Waiver of Subrogation:** The insurer(s) named above agree to waive all rights of subrogation against SAWPA, its elected or appointed officers, officials, agents, authorized volunteers and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for SAWPA; but this provision applies regardless of whether or not SAWPA has received a waiver of subrogation from the insurer.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, SAWPA requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to SAWPA.

**Other Required Provisions** - The general liability policy must contain, or be endorsed to contain, the following provisions:

All certificates and endorsements are to be received and approved by SAWPA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. SAWPA reserves the right to require complete, certified copies of all required insurance policies, including policy Declaration pages and Endorsement pages.

**Subcontractors** - Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that SAWPA, its directors, officers, employees and authorized are additional insureds on Commercial General Liability Coverage.

In such case, the Contractor shall not be entitled to receive any further payment until the work is finished.
